Contractor – G4S

On behalf of the organisation detailed below, I acknowledge that contractor pricing under the Security and Ancillary Services for the Northern Ireland Public Sector agreement is at this point considered to be commercially sensitive and could well prejudice the commercial interests of the contractor involved if the information were to be made publicly available.

I therefore hereby agree on behalf of the said organisation that we will keep strictly confidential the pricing information supplied to us and will not disclose the same or any part thereof to any other person, organisation or company and shall not make any use of such information or any part thereof for any purposes other than for accessing the collaborative agreement.

I further agree that access to all such information will be restricted only to those persons reasonably required to know it and that, in any event, our employees, agents, consultants and sub-contractors (if any) are bound to us to hold such information in confidence and to use such information only for the purposes of accessing the collaborative agreement.

Nothing in this agreement will restrict the organisation from lawful release of the information under the Freedom of Information Act if the information cannot be withheld under the applicable exemptions under the Act (i.e. section 43).
