Request

Re: IRC302235 - Director of Resourcing and Director of People Services

“my ranking in the process against other candidates including if each candidates was internal or external to the NICS”

DoF Response

I can confirm the department holds some of the information requested.

As only one candidate was successful at interview, a ranking list is not held.

I can advise there were a total of 25 applications received for this competition, 16 from external candidates and 9 from internal candidates.
