Re: EO1 competition IRC265807

1. Can you please advise me on what merit number you have interviewed to on the EO1 interviews.
2. Do you plan on holding any further interviews.

DoF Response

I can confirm the department holds the information requested.

1. Candidates have been invited to interview up to test merit position 3061 for IRC265807 Executive Officer 1, however only 1952 of these have been interviewed to date.
2. There are no current plans to bring forward any further phases of interviews for this competition.
