ANNEX A

FOI DOF/2026-0076

Request

Re: CSAB 675/24

1. The substance of the "Recommendations made to the Department" as referenced in the Hearing Report dated 20 January 2026.

2. Any records relating to conflict of interest declarations or checks conducted in respect of the panel members prior to the hearing.

DoF response

I can confirm the department holds some of the information requested.

In relation to Question 1, recommendations made to the Department were:

- The Panel have asked that a Departmental representative should be present at all CSAB hearings.

- The CSAB Panel requested clarification relating to the role of the Occupational Health Service.

- The CSAB Panel referenced an inconsistency in the documentation records of the Decision Officer and the Appeal Officer.

No records are held in relation to Question 2.
