Request

Re: IRC305703 EO1 Trainer trawl:

1. Can you confirm how interviews were completed as part of this competition?
2. What was the median scored for all interviews that took place?
3. How many job offers were there on the initial tranche?
4. How many candidate are there on the merit list and how long will the list be held open?

DoF Response

I can confirm the department holds the information requested.

1. Interviews were completed in accordance with the NICS Recruitment & Policy Procedures Manual. Selection panels designed questions to test the applicant's knowledge and experience in each of the competencies and awarded marks accordingly.
2. The median scored for all interviews that took place was 63.
3. There were 29 job offers from the initial allocations.
4. In total there were 34 candidates on the merit list which will be held open until 3rd March 2027.
