

FOI DOF/2025-0543

Response

I can confirm that the Department holds some of the information requested.

How much is spent on the intranet in the last financial year?

During the 2024/5 financial year the cost for hosting the NICS intranet was £68k for all Departments.

How many people used the internet and viewed non-government websites in 24/25 financial year?

DoF cannot provide a figure for the number of people who used the internet and viewed non-government websites for the period 2024/25 financial year, as this information is not held. However, we can advise that all DoF staff have access to the internet and can view non-government websites.

What were the websites?

DoF cannot provide the information regarding what websites were accessed for 2024/25 as this information is only held for a period of 30 days.
