

## FOI DOF/2025-0653

**Request**

For the staff in the Department for the Economy, I would like to know how many of the staff for each one of the years quoted from 43-51, are actually in full-time employment of 5 days per week.

**DoF Response**

I can confirm the Department holds the additional information requested.

With reference to the information disclosed under FOI DoF/2025-0632, particularly concerning the data related to the Department for the Economy (DfE), the table below details the number of full-time (FT) DfE employees whose working pattern is five days per week and who have between 43 and 51 years of service, as at the end of September 2025 (the most recent data available at the time of the original request).

Number of Years in NICS	DfE	
	Headcount	Working Pattern (FT, 5 days/wk)
43	7	1
44	5	2
45	14	3
46	10	2
47	12	1
48	5	0
49	1	0
50	3	0
51	2	0
<b>Total</b>	<b>59</b>	<b>9</b>

Source: HRConnect

Note: Full time employees are considered to work 37 hours per week. Figures exclude staff within the HSEN.
