Hi Jayne

Sorry, could I just confirm please – are you seeking a draft reply prepared by DoF for Jayne? If so I can issue to officials and request a draft.

Thanks.

Could I get an update on this please?

Thanks,

Important issue, and needs clarity I agree. Is it clear what constitutes other public sector? Universities? Ports? Boards of Utilities etc.?

Interesting question how we raise awareness. Feels like a reminder to PSS with an instruction to share with SMT's on the back of recent correspondence seeking clarity (without needing to reference the origin of the query) with a point of contact for people to clarify as some may not be sure if a role they have is public sector or not.

@Jill / Aisling: what's your sense of the reason for this line which is the one that gives me concern given our role in DoF:

However, the difficulties we have faced in arriving at what we consider to be the settled and agreed position continues to trouble me.
