Many thanks for the prompt response. I am just off a call with [REDACTED] has said that they don't have a valuation from LSH yet that would satisfy the detail that you require.

Hi [REDACTED]

Yes, I have received the information and will be sending the valuation report for approval this afternoon or tomorrow morning to the District Valuer. It needs to be approved at this level due to the valuation amount. Once it has been approved (which might take a few days) I will issue it to [REDACTED]. Sorry about the wait but it does require a lot of time given the larger property and

valuation.

Do you know if UU had a valuation done my LSH?

Kindest regards,

[Redacted]

Good afternoon, [Redacted]

Sorry for adding to your mailbox.

[Redacted] emailed you on 14 November to confirm if a valuation for Timberquay had been provided, your response to this email was that you required information from Ulster University to progress. Can I ask if you have any word back from Ulster University and if so would you be able to give me an update with the current state of the valuation?

Regards
