ANNEX A

FOI DOF/2026-0084

Request

1. I'm trying to ascertain whether the PPSNI or Judiciary lodged claims for injury to feelings, whether all these claims have been settled and when and how much of tax payers money was awarded in compensation.

DoF response

I can confirm that the Department does not hold the information requested.

Following the McCloud judgement NIPSA raised claims for injury to feelings for their members. The claims are currently being case managed; no decisions have been made regarding the terms of a potential settlement.
