ID 6334962 – Framework Agreement for the Provision of a Payment Card Industry Data Security Standard Qualified Security Assessor (PCI DSS QSA)

On behalf of the organisation detailed below, I acknowledge that suppliers' pricing under the Framework Agreement for the Provision of a PCI DSS QSA for the Northern Ireland Public Sector agreement, is at this point considered to be commercially sensitive and could well prejudice the commercial interests of the supplier involved if the information were to be made publicly available.

I therefore hereby agree on behalf of the said organisation that we will keep strictly confidential the pricing information supplied to us and will not disclose the same or any part thereof to any other person, organisation or company and shall not make any use of such information or any part thereof for any purposes other than for accessing the Framework.

I further agree that access to all such information will be restricted only to those persons reasonably required to know it and that, in any event, our employees, agents, consultants and sub-contractors (if any) are bound to us to hold such information in confidence and to use such information only for the purposes of accessing the Framework.

Nothing in this agreement will restrict the organisation from lawful release of the information under the Freedom of Information Act if it cannot be withheld under the applicable exemptions under the Act (i.e. section 43).
