Request

How many Assistant Statistician vacancies are there per office across the whole NICS and where they are they located?

DoF response

I can confirm the department holds some of the information requested.

Details of the total vacancies in each department is not held centrally by Department of Finance. Each Civil Service department is responsible for managing its resources – both financial and staff. Each department determines its individual workforce needs and is responsible for ensuring that any additional staffing resources are affordable. When a department identifies a vacancy that needs filled, the request is referred to NICSHR to initiate the process to fill the post. NICSHR liaises with all departments on an ongoing basis to seek to prioritise recruitment activity within allocated financial and staff resources.

As at the end of February 2026 (the most recent figures available at time of the request), NICSHR was managing a caseload of 3 Assistant Statistician vacancies. The breakdown of the vacancies by location and office is shown in the table below
