RE: DOF/2026-0104 FOI Response / IRC265807 EO1 Competition

1. How many have been posted to an EO1 position?
2. How many did not accept their original posting/offer but were subsequently offered and posted to another EO1 position?
3. How many decided to withdraw from the competition?
4. How many were removed from the EO1 merit list due to non-acceptance of their original offer?

DoF response

I can confirm the department holds some of the information requested.

1. A total of 1107 candidates have been posted to EO1 positions.
2. A total of 69 candidates did not accept their original posting/offer but were subsequently offered and posted to another EO1 position.
3. This information is not held. It is not possible to confirm from records held whether a candidate withdrew at their own request or was withdrawn due to failure to comply with offer/acceptance process.
4. This information is not held. The reasons that lead to a candidate being removed from the merit list are not recorded.
