Request**RE: Candidate Information booklets**

Further to request DOF/2026-0240 I would be grateful if you could, for each of the candidate information booklets, detail if the campaigns were internal trawl, internal promotion competitions, external recruitment or other (using the NICS preferred terminology).

For ease of use, please present the information as a table - listing the CIB reference, date of competition and recruitment type. Please list in chronological order.

DoF response

I can confirm the department holds the information requested.
