Request**RE: Department of Infrastructure, vacancies in Coleraine**

Can you provide details of all Department of Infrastructure vacancies in Coleraine, breakdown as follows -

1. Vacancies by grade, agency, branch, location and building name

DoF response

I can confirm the department holds some of the information requested.

1. Details of the total vacancies in each department is not held centrally by Department of Finance. Each Civil Service department is responsible for managing its resources – both financial and staff. Each department determines its individual workforce needs and is responsible for ensuring that any additional staffing resources are affordable. When a department identifies a vacancy that needs filled, the request is referred to NICS HR to initiate the process to fill the post. NICS HR liaises with all departments on an ongoing basis to seek to prioritise recruitment activity within allocated financial and staff resources.

As at the end of May 2026, (the most recent figures available at time of the request), NICS HR was managing a caseload of 57 vacancies for DfI in Coleraine. The breakdown by analogous grade, agency and branch and building name is shown in the tables below. Please note NICS HR holds vacancy location data by building and town.
