FOI DOF/2026-0670

Request and response

I can confirm the Department holds some of the information requested.

Under the Freedom of Information Act 2000, please provide:

1. The number of uninterruptible power supply (UPS) systems in your estate and, where held, their manufacturer and approximate kVA rating (a summary is fine – site-level locations are not required).

Response

There are 418 UPS across the Department of Finance estate. These range from small 750 up to 2Kva units. These include units manufactured by APC and Rellio.The manufacturer information information is not held for all units.

2. The name of the current supplier(s) contracted to maintain these UPS systems. If UPS maintenance is delivered within a wider facilities management or M&E contract, please name that contractor and any UPS subcontractor.

Response

There is no standalone maintenance contract in place. Twenty seven of the units are maintained via the Pan Government Property Maintenance Framework. The three suppliers on that framework, are H & J Martin Ltd, CHC Group Ltd and Irwin's M & E Ltd.

3. The start date, end date and any extension options of that contract.

Response

The Pan Government Property Maintenance Framework commenced on 1st May 2024. The current term end date is 30th April 2027. One optional 12 month extension remains.

4. The annual contract value.

There is no determined annual contract value associated with the delivery of the maintenance associated with the UPS units maintained under the Pan Government Property Maintenance Framework.

5. The procurement route used (e.g. framework name, open tender, direct award).

Twenty seven of the units are maintained via the Pan Government Property Maintenance Framework.

6. The job title of the officer responsible for managing the contract.

Twenty seven of the units are maintained via the Pan Government Property Maintenance Framework. The Job title for the framework manager is ‘Property Services Division - Deputy Director
