RE: FOI Please provide the total number of: Applicants to the Deputy Principal 2026 competition; Applicants who declared eligibility under the Guaranteed Interview Scheme; GIS applicants who achieved the minimum qualifying assessment score; GIS applicants invited to interview; GIS applicants not invited to interview.		Section 22 Intended for future publication	• To show compliance with the FOI Act by disclosing information held by the Department as a Public Authority; • There is a general public interest in the accountability, openness and transparency of government, and to promote public understanding.	• As the information requested is of interest to the wider NICS, it is important that it can be accessed by all interested parties at the same time, it should be equally available to all, not given to some people before others • Publishing the information at this stage would require staff to spend time on accelerating publication rather than other activities in the public interest
In balancing where the public interest lies, the Department contends that public interest considerations against disclosure are predominant, and the public interest is better served by non-disclosure of the of the information at this time. Signed: John Cuthbert Date: 08/09/2026
