    - Following the assessment/test stage;

    - Achieve only the minimum qualifying score in the assessment process; or
    - Meet additional shortlisting or sift requirements beyond achieving the minimum qualifying score.

5. Please provide any guidance issued to assessors or recruitment staff explaining how the following statement contained within the Candidate Information Booklet was to be applied:

"In assessing whether applicants meet the minimum essential eligibility criteria, they are required to undertake a test/assessment. All applicants must achieve the required minimum score in order to be invited to interview."

6. Please provide the total number of:

    - Applicants to the Deputy Principal 2026 competition;

DoF response

I can confirm the department holds the information requested.

1. This information is exempt under Section 21(1) of the Freedom of Information Act. Section 21 applies to information that is already reasonably accessible to the applicant by other means. Section 21 is an absolute exemption, and the department is not required to consider whether the public interest favours disclosure of this information. The information is available at the following link:

Information for Disabled Applicants

2. GIS is applied after eligibility which is test & sift.

3. As part of our commitment to the employment of disabled people, we operate a Guaranteed Interview Scheme (GIS). The GIS does not guarantee a job. However, its objective is to ensure disabled applicants, who meet the

minimum essential eligibility criteria for the role they have applied for, are offered an interview.

4. Candidates must meet additional shortlisting or sift requirements beyond achieving the minimum qualifying score

5. No guidance is issued.

6. The information you have requested is being withheld as it is exempt under section 22(1) of the Freedom of Information Act. Section 22(1) protects information intended for future publication. Section 22 is a qualified exemption, and I have considered whether the balance of the public interest favours maintaining the exemption in section 22(1) or disclosing the information. By applying Section 22 Exemption of the FOI Act, we are required to carry out a Public Interest Test. This can be found attached as a separate document (Annex C).

7. GIS candidates who did not progress to interview despite achieving the minimum score in test did not score in the top proportion of candidates to progress to eligibility sift or failed the eligibility sift.

8. NICSHR ensured that the Guaranteed Interview Scheme was applied correctly.

9. Sift panel members all received the L&D panel member training.

10. Appeals, reviews, complaints or reconsiderations regarding the Guaranteed Interview Scheme should be submitted to HRConnect.
