2021 PAY AWARD

My note to you of 4 June advised that payment of the industrial pay award for 2021 would be made in October.

I can now confirm that, subject to satisfactory testing, payment of the 2021 pay award for industrial colleagues will be made in the 16 September pay run for weekly paid staff and October salaries for those paid monthly.

This bulletin and Frequently Asked Questions relating to the 2021 pay award will be made available on the DoF website [Working in NICS – Pay](#). This bulletin will also be available on the Employee Services Portal.

Your contact point for any specific queries in relation to your pay is HR Connect.
