Request

A - A breakdown of what different funding streams previously earmarked or allocated for Northern Ireland have been “repurposed” to now be included in the £3.3bn figure?

B - For each funding pot, please give its name, and the amount which had previously been earmarked or allocated for Northern Ireland through that funding stream.

DoF response

I can confirm the department holds the information requested, it is in the UK Government Funding Streams Summary document available at the following link: [UK Government confirms £3.3bn spending settlement for restored Northern Ireland Executive - GOV.UK \(www.gov.uk\)](https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/115122/UK_Government_confirms_£3.3bn_spending_settlement_for_restored_Northern_Ireland_Executive_-_GOV.UK.pdf).

DoF considers that this information is exempt under section 21 of the Freedom of Information Act 2000, as it is reasonably accessible by other means. In this case the information requested can be found by navigating to the bottom of the body of text and clicking on the link labelled “UK Government Funding Streams Summary” or at the following link:

[UK Government Funding Streams Summary \(Financial Settlement Annex\) \(publishing.service.gov.uk\)](https://publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/115122/UK_Government_confirms_£3.3bn_spending_settlement_for_restored_Northern_Ireland_Executive_-_GOV.UK.pdf)

Both the names and amounts of previously earmarked or allocated funding streams, which are included in the £3.3bn figure, are listed halfway down the page of the attached link.
