Subject: DoF/2022-0001 - Redactions

Good Afternoon,

I have completed redactions on the documents labelled as redacted within the container for DoF/2022-0001

Before I issue to the FOI unit, can I confirm that the following documents do not require any redaction:

DoF/2022-0001 - Document 2 - 3.02 Maternity Leave - DRAFT POLICY - clean copy for Stonewall Working Group
DoF/2022-0001 - Document 3 - 3.03 Paternity Leave - DRAFT POLICY - clean copy for Stonewall Working Group
DoF/2022-0001 - Document 5 - 3.02 Maternity Leave – feedback from Stonewall Steering Group members on draft policy with ER Policy Team response
DoF/2022-0001 - Document 9 - 3.03 Paternity Leave - DRAFT - tracked changes version 17112020
DoF/2022-0001 - Document 10 - 3.03 Paternity Leave - DRAFT - clean copy 17112020
DoF/2022-0001 - Document 11 - 3.02 Maternity Leave - DRAFT - tracked changes version 17112020
DoF/2022-0001 - Document 12 - 3.02 Maternity Leave - DRAFT - clean copy 17112020

██████ the documents listed above do not require any redaction.

Can I also check the following documents:

DoF/2022-0001 - Document 6 – I only noticed 3 redactions on the last two pages of this document, is this correct? YES
DoF/2022-0001 - Document 17 – The name 'Joanne Dowling' has been left in the body of the email, is this correct? I understand that Joanne is G7. You advised me that names of staff who are not G7 or above should be redacted.

Kind Regards,

██████
