

ANNEX A

FOI DOF/2022-0213

Request

I am hereby requesting under the FOI provision confirmation of the number of individuals who received an offer as the result of IRC276487 to date and which have had requests for part time working at the new grade granted

DoF Response

I can confirm the Department holds some of the information requested.

To date, 672 individuals have received an offer as the result of General Service EO2 competition IRC 265817. (Reference IRC276487 is for one specific vacancy being assigned from this competition).

To date, all offers made have been for full time posts. Following receipt of an offer for this EO2 General Service competition, any individual requests for alternative working patterns (including part-time hours) are considered in the context of current business need and our statutory and legal obligations as an employer.

Information on any alternative working patterns agreed following issue of formal offer is not held.
