**Request**

**Subject: DOF/2022-0349 FOI Response**

Could you provide the list in rank order with the aptitude score rounded up to a whole number?

Assuming you agree to my modified request, could you also highlight the candidates by assessment centre block ie the first block of candidates invited to the assessment centre, the second block of candidates invited to assessment centre, etc, etc?

**DoF Response**

I can confirm the department holds the information requested.

Please see attached document (Annex B) containing the information requested.

The information is listed in order of the phase the candidate was invited to, and by total score within each phase. Each phase is also highlighted separately.

Where the information states N/A, the candidate's application did not progress to this stage or they have not attended or did not sit this element of the assessment.

The reference to *exemption* (please see page 40 of Annex B) for one candidate's total score refers to a reasonable adjustment applied to this candidate's application.
