On behalf of the organisation detailed below, I acknowledge that Contractor's pricing under the Travel Management Services Framework Agreement (ID 3346821) is commercially sensitive and could well prejudice the commercial interests of the Contractor involved if the information were to be made publicly available.

I further agree that access to the pricing information will be restricted only to those persons reasonably required to know it and that, in any event, our employees, agents, consultants and sub-contractors (if any) are bound to us to hold such information in confidence and to use such information only for the purposes of accessing the Services.

Nothing in this agreement will restrict the organisation from lawful release of the information under the Freedom of Information Act if it cannot be withheld under the applicable exemptions under the Act (i.e. section 43.)
