

FOI DOF/2023-0392

Request

Follow-on request from DOF/2023-0313:

Can you provide me with the monetary figures for each council area in 2022?

Clarification received 10 October 2023: And if providing the 2022 cost figures for the total number of civil servants in each council area it would be worth having the total staff numbers for 2022 as well.

Clarification received 13 October 2023: I'd rather add the clarification so that I get the staff numbers and cost breakdown for each council area as I had for 2013 in a previous request. So start the clock over again then if needs be.

DoF Response

I can confirm that DoF holds the information requested.

Please find attached an Excel spreadsheet which provides NICS staff headcount by Local Government District (LGD), grade and total salary for 2022.
