

EIR DOF/2022-0392

**Request**

- (i) A list (including details of locations) of all asserted public rights of way (PROW) and public paths in N. Ireland
  
- (ii) Details of all stages in the PROW assertion process, which a Council in N. Ireland needs to implement, before a path becomes officially asserted.

**Response**

The Department of Finance/Land and Property Services does not hold any of the information requested.

You may however wish to direct your request to the [individual Councils](#) as they may hold some or all of the information you are seeking.

I am sorry that on this occasion I have not been able to be of more assistance.
